SUBJECT: Federal Acquisition Regulation (FAR) Class Deviation for FAR Part 1 in Support of Executive Order on Restoring Common Sense to Federal Procurement

1. Introduction: The purpose of this Acquisition Alert is to issue a FAR class deviation to part 1 for purposes of implementing the Federal Acquisition Regulatory Council's model deviation text to those parts.

2. Background: On April 15, 2025, Executive Order (E.O.) 14275 on Restoring Common Sense to Federal Procurement was signed. Section 2 of the E.O. establishes the policy that the FAR "should only contain provisions required by statute or essential to sound procurement, and any FAR provisions that do not advance these objectives should be removed."

The FAR is being updated to:

- Remove language that is not required by statute
- Remove duplicative or outdated language
- Clarify or provide more plain language
- Revise language for the new FAR framework
- Retain language necessary for governmentwide acquisition standards.

This project is referred to as the Revolutionary FAR Overhaul (RFO) initiative. This class deviation is issued under the authority of E.O. 14275, OMB M-25-25, and 48 CFR 1.4.
